

Riail na Gaeilge

The whole school Community of Coláiste de hÍde is very proud of the Irish Language and are very dedicated in promoting it in every way around the school. We speak the language at all times together during class time, at lunchtime and during school activities. The school motto is 'Beatha Teanga í a labhairt' (A country without a language is a country without soul.)

Riail na Gaeilge is broken if:

- A full sentence is spoken in English in any context.
- 'Béarlachas' in use, where the majority of the sentence is spoken in English.

The decision will be left completely with the Teacher with regards to the breaking of RNG.

If the rule is broken the following steps will be taken:

Céim 1: Fanacht Siar (40 mins) and the subject teacher and Class teacher will speak to the student.

Céim 2: Fanacht Siar (Mon/Thurs 15:30-17:00) and the class teacher and Yearhead will speak to the student. (A text will be sent home explaining the incident)

Céim 3: Fanacht Siar (Mon /Thurs 15:30-17:00) and Fanacht Siar on Friday (13:00-14:00). The Yearhead will have to speak to Parents/Gaurdians of the Student and discuss the seriousness of the situation.

Céim 4: One day suspension and the case will be discussed with the Principal/Deputy Principal, Student and Parents/Gaurdians.

Céim 5: 2 Day Suspension and the case will be discussed with the Principal/Deputy Principal, Student and Parents/Gaurdians.

Céim 6: 3 Day Suspension and the case will be discussed with the Principal/Deputy Principal, Student and Parents/Gaurdians. (The case will be mentioned at a Board of Management Meeting)

Céim 7: The case will be put before the Board of Management and the students' future in the school will be discussed.
